

APPARO'S NONPROFIT INSIGHTS PRESENTS:

IS YOUR DONOR DATA AT RISK?

HOW TO KNOW AND ACTIONABLE STEPS TO KEEP IT
(AND OTHER DATA) SAFE

STAY SECURE

- Protect client and donor data
- Avoid phishing bait
- Know what to do if you get hacked

You wouldn't leave the doors on your home unlocked; don't leave your nonprofit vulnerable. Join Apparo and learn how to easily and impactfully lock the doors against cybercrime targeted at your nonprofit. You'll leave with actionable steps for keeping your nonprofit safe from threats.
