

Apparo at a Glance

Apparo is transforming the community by connecting area nonprofits to technology resources and expertise that amplify their impact and improve lives.

Our vision is a vibrant community of technology-enabled nonprofits - meaning more of our community's vulnerable individuals receiving the support they need.

Technology and passion can change the world. We're seeing it happen every day.

5,000+ skilled volunteer hours served this year

125+ nonprofits served this year

\$2.4 M in tech services provided to the community this year

500,000+ vulnerable Charlotteans helped this year

\$1 = \$1.60
\$1 given to Apparo = \$1.60 value back in the community
